Jews' Mask Mandate Destroys the Gullible & Cowardly

Jews created COVID-19 virus in U.S. Army bio-war labs, Fort Dietrich Maryland.[1] The virus is not especially lethal. It is easily killed by a healthy immune system aided by exposure to sun-light, fresh air, Vits. C & D & zinc. The virus is also easily treated with an existing, low-cost malaria drug, hydroxychloroquine.[2]

Jew politicians & Jew media lie, claim COVID-19 is the worst thing since Jew-caused WW2. Evidence? None, just hysterical claims by Jew politicians-media.

Old people confined in nursing homes die WITH coronavirus (not the same as COVID-19) spread by staff from other patients. Smokers die FROM lung cancer, obese die FROM coronary disease, cancer patients die FROM guess what. Very few die FROM COVID-19. State-licensed doctors, nurses, hospitals get financial benefits to aide & abet the Jew virus hoax with fraudulent COVID death reports.

In October 2019, the U.S. Army sent 300 troops, trained at Fort Dietrich, to the Wuhan War Games as cover to spread the virus.[1] Trump calls it Wuhan flu and wants the U.S. Army to vaccinate the U.S. population with tracking chips.

Stress makes the coronavirus worse. The lockdown, job losses, unemployment, bankrupt businesses, collapse of stock markets & world trade increase stress.[3]

Humans are air breathing mammals. Fresh air is a mix of different gases. Air is approximately 78% Nitrogen (N_2, a clear inert gas), 21% Oxygen (O_2), 0.9% Argon (Ar) and 0.04% Carbon Dioxide (CO_2). Remaining trace elements vary in amounts are water vapor, methane, helium, hydrogen, ozone.

Carbon Dioxide is a trace element and part of the carbon-oxygen cycle between mammals and plants. Carbon in CO_2 is necessary for plant growth. Plants extract Carbon from CO_2 which converts CO_2 into O_2 breathed by animals & people. People cannot use Carbon so exhale CO_2 produced as a waste product.

Now, the Jew mask mandate hoax. Breathing fresh air is mandated by nature, not by Jew politicians or Jew media. Infants start to breathe when they leave the womb. Breathing changes the ratio of gases between inhaling and exhaling. To simplify the illustration, we'll ignore all elements other than N_2, O_2 and CO_2.

All human cells need oxygen. Your lungs extract O_2 for muscle & brain functions then give off CO_2 as a waste product which is expelled when you exhale.

IF you breathe Fresh Air, this process is repeated. Note the percent of waste gas CO_2 is increased by 100% when exhaling. Oxygen exhaled is decreased by the amount used by muscle and brain functions:

	In	Out
N_2	78%	78%
O_2	21%	16-17%
CO_2	0.04%	4-5%
Total	~100%	~100%

Wearing a mask changes this. With a mask, your 2nd inhaled breath is the air you exhaled from the 1st Breath.

	2nd Breath		3rd Breath		4th Breath	
	In	Out	In	Out	In	Out
N_2	78%	78%	78%	78%	78%	78%
O_2	16-17%	12%	12%	7%	7%	2%
CO_2	4-5%	10%	10%	15%	15%	20%

If you keep the mask on after the 4th breath, you are too gullible, cowardly or insensitive for nature to save you. Your brain and muscles will be starved for oxygen. You will suffer what frequently happens to deep-sea divers called rapture of the depths, a drunken state, unable to think clearly to save yourself.

Masks are a wonderful self-labeling device to help identify Jew mind-controlled useful idiots. If police didn't obey Jew politicians, they would arrest and remove masked drivers from the roads for public safety.
